<sup>1</sup> Development of Phase 2, Plot 8 Changi Business Park (5 Changi Business Park Crescent) was completed on 31 December 2010. With a net lettable area of 18,466 sqm, this building is 100% pre-committed to Citibank N.A. and the lease will commence progressively from February 2011. As such, the figures above exclude the occupancy and net lettable area of 5 Changi Business Park Crescent. Had this been included, occupancy would be 78.1%

<sup>2</sup> A-REIT repossessed this property in 1Q FY2010/11 and has leased out about 41.3% of the property. Based on this occupancy, it has security deposit which can be used to top up the rental to the original amount for the next 9 months while the balance space is marketed

<sup>3</sup> Some space was decommissioned for asset enhancement works to reconfigure the floor plates and create a courtyard on the upper levels of the building to enhance the attractiveness and value of this property
