Mr Goh Kok Huat, Chief Executive Officer of the Manager said, “Our strategy has proven to be effective and is reflected in the results. We have demonstrated the ability to professionally manage the property portfolio and to deliver stable returns to unitholders of A-REIT. For the Period, A-REIT’s unit price has increased 28.8 per cent from the closing price of S\$0.815 per unit on 31 March 2003 to S\$1.05 per unit on 30 September 2003. We will continue to work to deliver returns to Unitholders.”

Attractive Yield

Based on the distribution of 4.05 cents per unit, the distribution represents an annualised trading yield of 9.2 per cent based on the IPO price of \$0.88 per unit. Based on the closing

price of \$1.05 per unit on 30 September 2003, the annualised trading yield is 7.7 per cent. The distribution per unit of 4.05 cents will be paid to Unitholders on Friday, 21 November 2003 based on Unitholders who are on the Register as at 5.00 pm on Tuesday, 28 October 2003 (the “Books Close Date”).

Resilient Portfolio

In the portfolio leasing update released on 14 October 2003, the Manager announced that 32,640 sqm of business and industrial space, representing 13.4 per cent of the net lettable area in the portfolio has been renewed or leased to new tenants in the three months ended 30 September 2003. These leases represent an annualised rental income of S\$7.5 million. On a portfolio basis, the average occupancy rate of A-REIT’s nine properties is 81.2 per cent for the six months ended 30 September 2003.

For the financial period ending 31 March 2004, 96 per cent of forecast gross rental income is based on committed leases in the nine properties (up from 94 per cent as previously announced in July 2003).

Acquisitions

In the Period, the Manager has acquired a ninth property, OSIM HQ Building. On 13 October 2003, A-REIT announced the completion of the acquisition of Ghim Li Building and is working to complete one other property, namely, Ultro Building by November 2003. On 22 September 2003, A-REIT entered into a Put and Call agreement to acquire another building that is currently being developed by Ascendas Land (Singapore) Pte Ltd for Infineon Technologies Asia Pacific Pte Ltd. The acquisition will proceed after obtaining A-REIT’s unitholders approval and the granting of a temporary occupation permit which is expected in the third quarter of 2004.

Future Strategies

Moving forward, the Manager will work to deliver stable distributions to the unitholder through active management of the existing portfolio and yield-accretive acquisition opportunities which will diversify the tenant and industry mix, extend the lease expiry profile and improve the weighted term to expiry of A-REIT. The Manager is in the midst of discussions with other potential property owners for sale and lease-back of properties as well as potential acquisition of multi-tenanted properties in Singapore.
